

Want To Be Famous?

Just imagine this. You and your bus conversion in *Bus Conversion Magazine* for everyone to see. Recognition for your unique conversion and your highly technical skills. People will point, people will stare, and people will say, "WOW! We saw your bus in *Bus Conversion Magazine*".

How would you like that to happen to you? Well, now it can. Just write an article about your conversion and send it to us. Add some highlights and some background information along with a rough sketch of the floor plan, and a list of specifications, and send it to us. Your coach could be selected as the conversion of the month and displayed on the cover and featured as the centerfold in an upcoming issue. Yes YOUR bus. It does not have to be a new bus, any bus will do. Our readers are interested in all ages and types of buses. If you have a truck conversion, we would even be interested in this as well.

We've made a list of information you may want to include. The more information you provide, the more our readers will enjoy your story. Send it to us with any photos (preferably high resolution) you may have of the interior of the bus as well as the exterior. If selected, your bus will be featured in an upcoming issue of *Bus Conversion Magazine*, the magazine bus converters everywhere rave about. Not only will you gain worldwide recognition, we'll extend your subscription for three full years if we include your bus in a feature article in one of our issues.

So, if you think your bus has what it takes, go ahead. Just Do It! Take a couple of minutes and send us an email with your photos included. You can also upload them to Dropbox or mail them on a CD, DVD, or a Thumb Drive. Now hold your breath, because this is it, your big chance for fame! If we use it, you and your bus will be known the world over.
